A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often left feeling overwhelmed by this constant

influx of information. The very knowledge that was supposed to set us free has instead led to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain.

*Digital Influence* - Joel Backaler 2018-08-22

This book brings order to the chaotic and rapidly evolving world of influencer marketing by providing readers with much needed context,

frameworks, and best practices. Written for busy marketing professionals working in both domestic and international markets, it addresses these topics in a highly actionable and engaging manner. Digital Influence covers everything from how to identify the right influencers and determine “level of influence” to collaborating with influencers and measuring ROI. It turns out, it’s not all about paying online celebrities outrageous sums to post sponsored content. Backaler also provides much-needed context for why influencer marketing is flourishing today, and perspective into what a more technologically-enabled, globally-connected future will look like. Ultimately, people want to learn from trusted peers, not faceless companies. Better than any corporate marketing function, influencers understand how to make best use of social media platforms and tailor content for their respective cultures to engage consumers in their home markets. Business leaders

should arm themselves with Backaler's book to ensure they're not left behind.

*Beyond Digital* - Paul Leinwand  
2021-12-21

Two world-renowned strategists detail the seven leadership imperatives for transforming companies in the new digital era. Digital transformation is critical. But winning in today's world requires more than digitization. It requires understanding that the nature of competitive advantage has shifted—and that being digital is not enough. In *Beyond Digital*, Paul Leinwand and Matt Mani from Strategy&, PwC's global strategy consulting business, take readers inside twelve companies and how they have navigated through this monumental shift: from Philips's reinvention from a broad conglomerate to a focused health technology player, to Cleveland Clinic's engagement with its broader ecosystem to improve and expand its leading patient care to more locations around the world, to Microsoft's overhaul

of its global commercial business to drive customer outcomes. Other case studies include Adobe, Citigroup, Eli Lilly, Hitachi, Honeywell, Inditex, Komatsu, STC Pay, and Titan. Building on a major new body of research, the authors identify the seven imperatives that leaders must follow as the digital age continues to evolve: Reimagine your company's place in the world Embrace and create value via ecosystems Build a system of privileged insights with your customers Make your organization outcome-oriented Invert the focus of your leadership team Reinvent the social contract with your people Disrupt your own leadership approach Together, these seven imperatives comprise a playbook for how leaders can define a bolder purpose and transform their organizations.

### **The Art of Digital Marketing**

- Ian Dodson 2016-04-04

The premier guide to digital marketing that works, and a solid framework for success The Art of Digital Marketing is the comprehensive guide to cracking the digital marketing 'code,' and reaching, engaging, and serving the empowered consumer. Based on the industry's leading certification from the Digital Marketing Institute (DMI), this book presents an innovative methodology for successful digital marketing: start with the customer and work backwards. A campaign is only effective as it is reflective of the consumer's wants, needs, preferences, and inclinations;

the DMI framework provides structured, implementable, iterative direction for getting it right every time. The heart of the framework is a three-step process called the 3i Principles: Initiate, Iterate, and Integrate. This simple idea translates into higher engagement, real customer interaction, and multichannel campaigns that extend even into traditional marketing channels. The evolution of digital marketing isn't really about the brands; it's about consumers exercising more control over their choices. This book demonstrates how using this single realization as a starting point helps you build and implement more effective campaigns. Get inside the customer's head with deep consumer research. Constantly improve your campaigns based on feedback and interactions. Integrate digital activities across channels, including traditional marketing. Build campaigns based on customer choice and control. Digital marketing turns traditional marketing models on their

heads. Instead of telling the customer what to think, you find out what they already think and go from there. Instead of front-loading resources, you continually adjust your approach based on real interactions with real customers every day. Digital marketing operates within its own paradigm, and *The Art of Digital Marketing* opens the door for your next campaign. **Dynamic Digital Marketing** - Dawn McGruer 2020-01-21 8 powerful ways to market your business online to consistently generate an abundance of leads that convert into profitable customers. *Dynamic Digital Marketing* teaches any business or individual how to increase online visibility and presence, attract their target audience, generate leads, and convert them into profitable customers. **Half Sick of Shadows** - Laura Sebastian 2021-07-06

"Laura Sebastian is the next Madeline Miller. . . . a fierce, fresh, lyrical tale that will enthrall until the last page."-- Kate Quinn, New York Times bestselling author of The Huntress A Popsugar Best Summer Read of 2021 A Bibliolifestyle Most Anticipated Summer 2021 Sci-fi and Fantasy Book "Magical, haunting, unique--I haven't been so excited about an Arthur book since I read The Once and Future King ."- Tamora Pierce, #1 New York Times bestselling author The Lady of Shalott reclaims her story in this bold feminist reimagining of the Arthurian myth from the New York Times bestselling author of Ash Princess. Everyone knows the legend. Of Arthur, destined to be a king. Of the beautiful

Guinevere, who will betray him with his most loyal knight, Lancelot. Of the bitter sorceress, Morgana, who will turn against them all. But Elaine alone carries the burden of knowing what is to come--for Elaine of Shalott is cursed to see the future. On the mystical isle of Avalon, Elaine runs free and learns of the ancient prophecies surrounding her and her friends--countless possibilities, almost all of them tragic. When their future comes to claim them, Elaine, Guinevere, Lancelot, and Morgana accompany Arthur to take his throne in stifling Camelot, where magic is outlawed, the rules of society chain them, and enemies are everywhere. Yet the most dangerous threats may come from within their own circle. As visions are fulfilled and an inevitable fate closes in, Elaine must decide how far she will go to change destiny--and what she is willing to sacrifice along the way.

*CareerKred* - Ryan Rhoten 2017-03-31

Like it or not, we live in a

digital-first age, where your first interaction with someone will likely be online. Which means, it is now possible to make a first impression even while you sleep. How does this impact your career? Studies have shown over 90% of recruiters today, search for candidates online before they decide to give them a call. Is your brand ready for this? I have spent the last five years understanding how this digital-first world applies to and impacts our careers. This book is the culmination of what I have learned. Credibility has always been the key to unlocking career opportunities. In the not so distant past, credibility was earned by your time in a position, perceived company loyalty, and of course your level of expertise in your field. The challenge with this is that credibility was only recognized locally, within the four walls of your company. However, thanks to the Internet, you can now earn your career credibility, or CareerKred as I call it, globally, by intentionally

building your personal brand, establishing your digital brand, providing thought leadership, and engaging with those interested in your field of study. In fact, with the right digital brand you can be recognized for your expertise globally. You are no longer confined by your company's four walls. During the course of this book, you will learn how to build your digital brand and use it to establish your CareerKred online. By following the 4 simple steps of the process I call D.I.C.E., you will learn how to define your brand, integrate your brand online, position your brand in your area of expertise and engage with your audience. This simple 4-step process will help you build a modern day digital brand that will set you apart from your competition and help you get recognized for your expertise, even if you don't know where to start. With the changes to the career landscape accelerating, it's time to take your brand global. It's time to establish your digital brand now, before you

need it. This book will show you how.

**Online Marketing for Busy Authors** - Fauzia Burke

2016-04-19

If You Want People to Read Your Book, Writing It Is Only the Beginning There has truly never been a better time to be an author. For the first time, authors have direct access to the public via the Internet—and can create a community eagerly awaiting their book. But where do new authors start? How do they sort through the dizzying range of online options? Where should they spend their time online and what should they be doing? Enter Fauzia Burke, a digital book marketing pioneer and friend of overwhelmed writers everywhere. She takes authors step-by-step through the process of identifying their unique personal brand, defining their audience, clarifying their aspirations and goals, and setting priorities. She offers advice on designing a successful website, building a mailing list of superfans, blogging, creating an

engagement strategy for social media, and more. By following Burke's expert advice, authors can conquer the Internet and still get their next manuscript in on time.
