The 1619 Project - Nikole Hannah-Jones 2021-11-16

#1 NEW YORK TIMES BESTSELLER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Esquire*, *Marie Claire*, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The *New York Times Magazine's* award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. The Black Panther Party - The Dr. Huey P. Newton Foundation

2010-03-28

The Black Panther Party represents Black Panther Party members' coordinated responses over the last four decades to the failure of city, state, and federal bureaucrats to address the basic needs of their respective communities. The Party pioneered free social service programs that are now in the mainstream of American life. The Party's Sickle Cell Anemia Research Foundation, operated with Oakland's Children's Hospital, was among the nation's first such testing programs. Its Free Breakfast Program served as a model for national programs. Other initiatives included free clinics, grocery giveaways, school and education programs, senior programs, and legal aid programs. Published here for the first time in book form, The Black Panther Party makes the case that the programs' methods are viable models for addressing the persistent, basic social injustices and economic problems of today's American cities and suburbs.

Long Walk to Freedom - Nelson Mandela 2008-03-11

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.

Basic Black - Cathie Black 2007-10-23

Cathie Black is the wise, funny mentor that every woman dreams of having. She was a pioneer in advertising sales at a time when women didn't sell; served as president and publisher of the fledgling USA Today;

and, in her current position as the president of Hearst Magazines, persuaded Oprah to launch a magazine. In 2006 she was named one of Fortune's "50 Most Powerful Women in American Business" for the seventh consecutive year. Now, in the exuberant, down-to-earth voice that is her trademark, Cathie explains how she achieved "the 360° life"—a blend of professional accomplishment and personal contentment—and how any woman can seize opportunity in the workplace. No matter where you are in your career, Basic Black offers invaluable lessons that will help you land the job, promotion, or project you're vying for. At the core of the book are Cathie's candid, personal stories. She walks us through her decision to risk dropping a huge ad agency that handled the USA Today campaign in favor of a small boutique agency run by a wild man. (It was a smash.) She admits that her sometimes brusque style once led to a mutiny of staffers at Ms. (She learned to be more flexible in her managerial style.) She offers a clear-eyed look at what happened during the twenty-eight months between the launch and the close of the much-buzzed-about Talk magazine. And throughout, she offers fascinating glimpses of media and business personalities, such as Rupert Murdoch, Tina Brown, Frank Bennack, Vic Ganzi, former CosmoGirl! editor Atoosa Rubenstein, Bonnie Fuller, and the legendarily difficult Al Neuharth, founder of USA Today. Above all, Basic Black is motivating. It provides a close-up look at the keen judgment, perseverance, and optimism that have propelled Cathie Black to the top of her game, along with the kind of straight-up practical advice you get in a one-on-one session with a career coach. You'll find out how to handle job interviews, which rules to break, and why you should make your life a grudge-free zone. Equally important, you'll be inspired to pursue your passions and achieve your very best.

500 Low-Carb Recipes - Dana Carpender 2002-10-01

Low-fat or low-carb? A recent New York Times Magazine (July 7, 2002) cover story answered this question and said that Dr. Atkins was right all along, "its not fat that makes us fat but carbohydrates." Though the government has spent hundreds of millions of dollars in research trying to prove that fat is the cause of obesity, there has been a subtle shift in the scientific consensus over the past five years supporting what the low-carb diet doctors have been saying all along: if we eat less carbohydrates, we will lose weight and live longer. One of the toughest challenges of any diet is having enough variety and choices to keep the dieter from losing interest. The most common reason that people abandon their diet is boredom but 500 LOW CARB RECIPES: 500 Recipes, From Snacks to Dessert, That the Whole Family Will Love by Dana Carpender has more than enough recipes to keep even the most finicky dieter on track. With recipes for everything including hors d'oeuvres, snacks, breads, muffins, side dishes, entrees, cookies, cakes and much more, this is an endless supply for creating meals for the whole family night after night. Whether everyone in the family is on a diet or not, these recipes are proven winners with adults and kids alike. Also included: Many one-dish meals for single people--main dish salads, skillet suppers that include meat and vegetables, and hearty soups that are a full meal in a bowl. Ideas for breaking out of old ways of looking at food with suggestions that save time and money and change what is considered a normal meal for breakfast, lunch and dinner. Information about where to find low-carbohydrate specialty products and descriptions of low-carb specialty foods found in grocery stores everywhere. An entire chapter that lists and describes low-carb substitute ingredients such as fats and oils, flour substitutes, liquids, seasonings and sweeteners. Dieters will be pleased to know that they can eat foods like guacamole, omelets, pizza, steak, ham and dessert without giving up great taste and still lose weight. There are enough recipes to create the perfect menu for any holiday of the year--including Thanksgiving. Each of the 500 recipes includes a carbohydrate count to help calculate the total carb intake of each menu. There are more recipes for main dishes and side dishes than most low-carb dieters will ever be able to eat--everything from down-home cooking to ethnic fare; from quick-and-easy weeknight meals to knock-their-socks off party food. 500 LOW CARB RECIPES is the last cookbook any dieter will ever need to buy and certain to be used until the binding is worn out!

Between the World and Me - Ta-Nehisi Coates 2015-07-14

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important

essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

[Black Girls Rock!](#) - Beverly Bond 2018-02-27

From the award-winning entrepreneur, culture leader, and creator of the BLACK GIRLS ROCK! movement comes an inspiring and beautifully designed book that pays tribute to the achievements and contributions of black women around the world. Fueled by the insights of women of diverse backgrounds, including Michelle Obama, Angela Davis, Shonda Rhimes, Misty Copeland Yara Shahidi, and Mary J. Blige, this book is a celebration of black women's voices and experiences that will become a collector's items for generations to come. Maxine Waters shares the personal fulfillment of service. Moguls Cathy Hughes, Suzanne Shank, and Serena Williams recount stories of steadfastness, determination, diligence, dedication and the will to win. Erykah Badu, Toshi Reagon, Mickalane Thomas, Solange Knowles-Ferguson, and Rihanna offer insights on creativity and how they use it to stay in tune with their magic. Pioneering writers Rebecca Walker, Melissa Harris-Perry, and Joan Morgan speak on modern-day black feminist thought. Lupita Nyong'o, Susan Taylor, and Bethann Hardison affirm the true essence of holistic beauty. And Iyanla Vanzant reinforces Black Girl Magic in her powerful pledge. Through these and dozens of other unforgettable testimonies, *Black Girls Rock!* is an ode to black girl ambition, self-love, empowerment, and healing. Pairing inspirational essays and affirmations with lush, newly commissioned and classic photography, *Black Girls Rock!*: *Owning Our Magic and Rocking Our Truth* is not only a one-of-a-kind celebration of the diversity, fortitude, and spirituality of black women but also a foundational text that will energize and empower every reader.

Tom Ford - Graydon Carter 2004

Tom Ford caused a sensation when it was first published in 2004. This giant slice of fashion history, now back in print, celebrates the designers phenomenal career, during which he brought the house of Gucci back from the dead and then dethroned the great Yves Saint Laurent. With images by Richard Avedon, Helmut Newton, Steven Meisel and Terry Richardson, as well as texts by Anna Wintour and Graydon Carter, the book showcases Ford's magic touch on iconic catwalk pieces, provocative ad campaigns and elegant interiors. Anyone with an interest in fashion will want to own Tom Ford.

Human Dimension and Interior Space - Julius Panero 2014-01-21

The study of human body measurements on a comparative basis is known as anthropometrics. Its applicability to the design process is seen in the physical fit, or interface, between the human body and the various components of interior space. *Human Dimension and Interior Space* is the first major anthropometrically based reference book of design standards for use by all those involved with the physical planning and detailing of interiors, including interior designers, architects, furniture designers, builders, industrial designers, and students of design. The use of anthropometric data, although no substitute for good design or sound

professional judgment should be viewed as one of the many tools required in the design process. This comprehensive overview of anthropometrics consists of three parts. The first part deals with the theory and application of anthropometrics and includes a special section dealing with physically disabled and elderly people. It provides the designer with the fundamentals of anthropometrics and a basic understanding of how interior design standards are established. The second part contains easy-to-read, illustrated anthropometric tables, which provide the most current data available on human body size, organized by age and percentile groupings. Also included is data relative to the range of joint motion and body sizes of children. The third part contains hundreds of dimensioned drawings, illustrating in plan and section the proper anthropometrically based relationship between user and space. The types of spaces range from residential and commercial to recreational and institutional, and all dimensions include metric conversions. In the Epilogue, the authors challenge the interior design profession, the building industry, and the furniture manufacturer to seriously explore the problem of adjustability in design. They expose the fallacy of designing to accommodate the so-called average man, who, in fact, does not exist. Using government data, including studies prepared by Dr. Howard Stouidt, Dr. Albert Damon, and Dr. Ross McFarland, formerly of the Harvard School of Public Health, and Jean Roberts of the U.S. Public Health Service, Panero and Zelnik have devised a system of interior design reference standards, easily understood through a series of charts and situation drawings. With *Human Dimension and Interior Space*, these standards are now accessible to all designers of interior environments.

Black Girls Must Die Exhausted - Jayne Allen 2021-09-28

"It's a good thing that this is only the first book of a trilogy, because after getting to know Tabitha, you won't want to leave her at the end. . . . Written intimately as if you're peering into the mind of a close friend, this book is a true testament to the stresses on women today and how great girlfriends (and grandmothers) are often the key to our sanity." — Good Morning America The first novel in a captivating three-book series about modern womanhood, in which a young Black woman must rely on courage, laughter, and love—and the support of her two longtime friends—to overcome an unexpected setback that threatens the most precious thing she's ever wanted. Tabitha Walker is a black woman with a plan to "have it all." At 33 years old, the checklist for the life of her dreams is well underway. Education? Check. Good job? Check. Down payment for a nice house? Check. Dating marriage material? Check, check, and check. With a coveted position as a local news reporter, a "paper-perfect" boyfriend, and even a standing Saturday morning appointment with a reliable hairstylist, everything seems to be falling into place. Then Tabby receives an unexpected diagnosis that brings her picture-perfect life crashing down, jeopardizing the keystone she took for granted: having children. With her dreams at risk of falling through the cracks of her checklist, suddenly she is faced with an impossible choice between her career, her dream home, and a family of her own. With the help of her best friends, the irreverent and headstrong Laila and Alexis, the mom jeans-wearing former "Sexy Lexi," and the generational wisdom of her grandmother and the nonagenarian firebrand Ms. Gretchen, Tabby explores the reaches of modern medicine and tests the limits of her relationships, hoping to salvage the future she always dreamed of. But the fight is all consuming, demanding a steep price that forces an honest reckoning for nearly everyone in her life. As Tabby soon learns, her grandmother's age-old adage just might still be true: Black girls must die exhausted.

Holding Back The Tears - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other

choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Democratizing Innovation - Eric Von Hippel 2006-02-17

The process of user-centered innovation: how it can benefit both users and manufacturers and how its emergence will bring changes in business models and in public policy. Innovation is rapidly becoming democratized. Users, aided by improvements in computer and communications technology, increasingly can develop their own new products and services. These innovating users—both individuals and firms—often freely share their innovations with others, creating user-innovation communities and a rich intellectual commons. In *Democratizing Innovation*, Eric von Hippel looks closely at this emerging system of user-centered innovation. He explains why and when users find it profitable to develop new products and services for themselves, and why it often pays users to reveal their innovations freely for the use of all. The trend toward democratized innovation can be seen in software and information products—most notably in the free and open-source software movement—but also in physical products. Von Hippel's many examples of user innovation in action range from surgical equipment to surfboards to software security features. He shows that product and service development is concentrated among "lead users," who are ahead on marketplace trends and whose innovations are often commercially attractive. Von Hippel argues that manufacturers should redesign their innovation processes and that they should systematically seek out innovations developed by users. He points to businesses—the custom semiconductor industry is one example—that have learned to assist user-innovators by providing them with toolkits for developing new products. User innovation has a positive impact on social welfare, and von Hippel proposes that government policies, including R&D subsidies and tax credits, should be realigned to eliminate biases against it. The goal of a democratized user-centered innovation system, says von Hippel, is well worth striving for. An electronic version of this book is available under a Creative Commons license.

Black Girl Dangerous - Mia McKenzie 2014-05-05

Mia McKenzie, creator of the enormously popular website *Black Girl Dangerous*, writes about race, queerness, class and gender in a concise, compelling voice filled at different times with humor, grief, rage, and joy. In this collection of her work from BGD (now available only in this book), McKenzie's nuanced analysis of intersecting systems of oppression goes deep to reveal the complicated truths of a multiply-marginalized experience.
