Made in Africa - Ed Aarons 2020-06

The 2018/19 Premier League season was a historic one for African players in English football. More than 130 years after Arthur Wharton became the first, Sadio Mané and Mohamed Salah shared the Golden Boot with Arsenal's Gabon striker Pierre-Emerick Aubameyang in a record-breaking campaign that saw Liverpool pipped for the title by a point by Manchester City. A statue of Wharton now stands at the Football Association's headquarters at St George's Park - a testament to his status as an important pioneer of the game. But the story of how it got there, just like many of the African players who followed in his path such as Steve Mokone, Albert Johanneson, Peter Ndlovu, Christopher Wreh, Lucas Radebe and Didier Drogba, is far from straightforward. Ed Aarons describes how they confronted racism to help change the face of English football forever, enabling the modern generation of superstars like Mané and Salah to flourish. Detailing their remarkable journeys to Anfield from Senegal and Egypt, *Made in Africa* also features an exclusive interview with Liverpool manager Jürgen Klopp - who broke the transfer record for an African player for the third time in the space of 14 months when he signed Naby Keïta for almost £53m in August 2017. He explains how the club's African contingent played an integral role in the thrilling climax to the season that ended with them becoming European champions for the sixth time.

Black and Blue - Paul Canoville 2012-12-18

Paul Canoville's story is one of extreme racist bigotry, shattering career-ending injury, a decline into drug abuse, battles against cancer, family tragedy and a determination to beat the odds. Canoville was Chelsea's first black first-team player, making his debut in 1982. But as he warmed up on the touchline, his own supporters began chanting 'We don't want the nigger!' The racist bile continued whenever he played, but within a year he had won over the terraces with his explosive pace and skill. Canoville fell out with the Chelsea board and moved to Reading in 1986, where injury suddenly ended his career at the age of 24. This started a downward spiral including the death of his baby in his arms, two bouts of life-threatening lymph cancer, drug abuse and homelessness. But Canoville fought back. In this explosive and shocking story, Paul finally explains why, despite everything, he is more positive than ever and has remained a fervent Chelsea fan all his life. This is a story of hope - eventually - overcoming adversity.

Red: My Autobiography - Gary Neville 2011-09-01

No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right-back Gary Neville. Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

An explosive and shocking biography of Jose Mourinho - revealing the dark side of 'the special one'.

La Roja - Jimmy Burns 2012-05-10

The author of a best-selling biography of Diego Maradona, and similarly widely acclaimed books on FC Barcelona and Real Madrid, digs deep into the roots of the most popular sport, to look at how football played in Spain became the most admired in the world. From its early beginnings when the first football on the shores of Bilbao and Buenos Aires was played by British sailors and engineers, through to the influx of South American stars, and similarly inspirational Italians, Dutchman and Scandinavians, the author shows how the engagement of foreigners with home-grown Spanish talent overcame political adversity and produced football of sublime skill, passion, and unparalleled entertainment value. The book takes us on a journey through some of the extraordinary characters, games, and moments that have defined Spanish football from the early days when a few enthusiasts developed their talent kicking a ball around on a piece of industrial waste-ground or beach, to the emergence of rival giants, FC Barcelona and Real Madrid - the most powerful and successful football clubs in the world - and a national team that, encompassing all that was most brilliant in the Spanish League, became the World Champions.

When Walter Smith snatched Marco Negri from the grasps of the Italian superpowers in 1997, Rangers fans were in for a mighty shock. The cult hero smashed in 33 goals in his first 29 games, but frustrating injuries, unrest and loan deals were to rule the rest of his time at Ibrox. The astonishing story of one of football's most enigmatic characters.

A Shot At History - Rohit Brijnath 2011-10-11

Abhinav Bindra once shot 100 out of 100 in practice six times in a row and walked out of the range unhappy. He is a perfectionist who once soled his shoes with rubber from Ferrari tyres because he thought it would help. He would wake up at 3 am to practise at his range at home if an idea suddenly struck him. It is from such obsession that greatness arrives. Abhinav Bindra's journey to become the first Indian to win an individual Olympic gold, and the first Indian to win a World Championship gold, is a story of single-minded passion. The Olympics has been an all-consuming journey for him ever since he was shattering beer bottles and glass ampoules in his garden in Chandigarh. No obstacle was too hard to overcome, no amount of practice too much, no experiment too futile and no defeat so severe that it made a comeback impossible. Shattered by his failure at the 2004 Athens Olympics when a gold medal seemed imminent, he changed as a shooter: from a boy who loved shooting, he became an athlete bent on redemption, a scientist who would try anything - from mapping his own brain to drinking yak milk to climbing rock walls - to win at the Beijing Olympics in 2008. His victory was not just a personal triumph, it was a gift to his nation, a breaking down of a sporting barrier that had stood for a century. Bindra's feat has taught his peers, and those yet to come, that an Olympic gold isn't an impossible dream. In ranges, on fields, in arenas, Indian athletes now own a new belief, they wear the knowledge that no challenge is beyond them. Helping to tell this remarkable story is sportswriter Rohit Brijnath, who collaborated with Bindra in producing this compelling autobiography of one of India's greatest sportsmen.

John Terry - Captain, Leader, Champion - Ollie Derbyshire 2016-07-07

John Terry, footballing legend and Chelsea hero, graduated from Chelsea youth academy to become an international star. His imposing strength, natural skill and bulldog spirit have made him the backbone of both Chelsea and England's staunch defences. Born in London, and raised through the Chelsea youth teams, Terry's extraordinary talent soon had him replacing World Cup winner Frank Leboeuf to become a first team favourite amongst the Stamford Bridge faithful. But Terry's progress has not all been plain sailing. In 2002, when he was on the verge of realising his dream of playing for England after some outstanding displays in the under-21 team, he was involved in an incident outside a nightclub. With his career in the balance, Terry battled back and, having been cleared of any charges, he became stronger than ever before. For years he was an indomitable force in the national side before retiring in 2012, having won 78 caps and appearing in two separate World Cups. He was even presented with the ultimate English honour when, in 2010, he captained his country during their World Cup campaign. Truly though, Terry is Chelsea through and through. Handed the captain's armband under Jose Mourinho's inspirational regime, backed by Roman Abramovich's formidable buying power, Terry is proof that some qualities simply can't be bought. His immense leadership skills have earned him the respect of his fellow pros and fans alike. With five FA Cups, four Premier Leagues - including an incredible 2014/15 campaign, and even a Champions League medal hanging in his trophy cabinet, John Terry must go down as one of the greatest Englishmen to ever play the game.

The Football Men - Simon Kuper 2011-05-12

The great footballers and coaches are rarely glimpsed from up close. They shield themselves from the tabloids, hide their personalities behind professionalism, and in the words of the cliché, 'do their talking on the pitch'. This book gets up close to them. The Football Men is not a series of celebrity profiles, and it doesn't attempt to unearth secrets in the players' private lives. Rather, it portrays these men as three-

dimensional human beings. It describes their upbringings, the football cultures they grew up in, the way they play, and the baggage that they bring to their relationships at work. This multimillion-pound, multinational world is mostly inhabited by ordinary men. The profiles in this book are sometimes funny, but never breathless or sensational. Some of the profiles in this book are based on interviews; others are the results of time the author spent with that person; sometimes the profile is a story of a country. All are fascinating and shed light on their subject to reveal things you wouldn't expect. From one of the great sports writers of our time this is a penetrating and surprising collection of articles on the figures that have defined the modern sporting world.

On the lighter side, Chelsea is regarded as the country's glamour club, and fashions, good and dreadful, will feature alongside celebrity fans and the worlds of art and music. And then there is the football at the core of it all, creating moments of huge tension and excitement.

Always Managing - Harry Redknapp 2013-10-10

The Sunday Times no.1 bestselling memoir from Harry Redknapp 'From kicking a ball as a kid under the street lamps of Poplar and standing on Highbury's North Bank with my dad, to my first game at West Ham, I was born head over heels in love with football. It saved me, and 50 years on that hasn't changed one bit - I'd be lost without it...' Harry is the manager who has seen it all - from a dismal 70s Portakabin at Oxford City and training pitches with trees in the middle to the unbeatable highs of the Premiership, lifting the FA Cup and taking on Real Madrid in the Champions League. With his much loved, no-nonsense delivery,

Harry brings us a story filled with passion and humour that takes you right inside every drama of his career. Harry finally tells the full story of all the controversial ups and downs - the pain and heartache of his court case, the England job, his love for Bobby Moore, his adventures at Portsmouth with Milan Mandaric, the Southampton debacle, Tottenham and Daniel Levy, and not forgetting his years at West Ham or the challenges at his current club QPR. It's the epic journey of one of the great managers and, along the way, the story of the British game itself over the last five decades. In an era now dominated by foreign coaches Harry is the last of an old-fashioned breed of English football man - one who has managed to move with the times and always come out fighting.

Diego Costa - Fran Guillén 2015-07-30

"Every setback, every fight, every goal. This is Costa uncovered" - Graham Hunter Summer 2014. Diego Costa has arrived for his first day as a Chelsea player and he has something he wants to say to his new team-mates. He's been practising a single, short sentence. Actually, a mission statement: "I go to war - you come with me." In *The Art of War*, Fran Guillén retraces every step of Costa's brutal, exhilarating journey: from street footballer in his home city of Lagarto, north-east Brazil, to La Liga winner at Atlético Madrid, through loan spells at Celta Vigo, Albacete, Valladolid and Rayo Vallecano, and finally to Premier League champion with Chelsea in 2015. Through exclusive interviews with coaches, team-mates, agents and friends, Spanish journalist Guillén uncovers the inside story of Costa's arrival in Portugal as a 17 year old and his move to Atlético Madrid where, under Diego Simeone, the player's goalscoring finally started to eclipse his fearsome reputation and saw his emergence as one of the world's greatest strikers. Then in 2014 Costa made the shock decision to defect from the Brazilian side and play for Spain in the World Cup. After a disastrous tournament, Costa joined Jose Mourinho's Chelsea and immediately dispelled the ghosts of Brazil by taking the Premier League by storm in an indomitable debut season at Stamford Bridge. This is an inspiring and insightful portrait of English football's new superstar. Let's go to war.

How to Be a Footballer - Peter Crouch 2018-09-06

'Very funny on almost every page, wonderfully self-deprecating and very sharp on the ludicrous behaviour of the modern player' - Sunday Times 'The funniest man in British sport' - Metro **A Sunday Times Sports Book of the Year** **Shortlisted for the National Book Awards** **Longlisted for the Telegraph Sports Book Awards Autobiography of the Year** You become a footballer because you love football. And then you are a footballer, and you're suddenly in the strangest, most baffling world of all. A world where one team-mate comes to training in a bright red suit with matching top-hat, cane and glasses, without any actual glass in them, and another has so many sports cars they forget they have left a Porsche at the train station. Even when their surname is incorporated in the registration plate. So walk with me into the dressing-room, to find out which players refuse to touch a football before a game, to discover why a load of millionaires never have any shower-gel, and to hear what Cristiano Ronaldo says when he looks at himself in the mirror. We will go into post-match interviews, make fools of ourselves on social media and try to ensure that we never again pay £250 for a haircut that should have cost a tenner. We'll be coached and cajoled by Harry Redknapp, upset Rafa Benitez and be soothed by the sound of an accordion played by Sven-Goran Eriksson's assistant Tord Grip. There will be some very bad music and some very bad decisions. I am Peter

Crouch. This is How To Be A Footballer. Shall we?

My Turn - Johan Cruyff 2016-10-25

Didier Drogba - Didier Drogba 2009-08

Didier Drogba is one of the most talented and also most unpredictable players in English football. Brought to Chelsea by Jose Mourinho after success with Marseille in France, he quickly became one of the most lethal strikers in the Premiership and helped Chelsea to the highest success. But then Mourinho - whom Drogba idolised and whose Foreword reveals the admiration is mutual - departed, and the revolving door of managers that followed saw Drogba disaffected, injured, left out of the side and, the nadir, sent off in the 2008 Champions League final. But now under the new coach Guus Hiddink he is fit again and scoring high-pressure goals and a match for any defence. Characteristically, Drogba first published his autobiography in French, and not for him the empty succession of clichés about a great bunch of lads and a game of ninety minutes. This is a story of growing up in West Africa, then an unsettling emigration to France, and a rise to the highest echelon of football there before Chelsea's money came beckoning. It is a controversial book - Drogba found Chelsea in his first months a thoroughly unwelcoming and lonely place - and about much more than football: in his native Ivory Coast Drogba is a hero and even something of a political campaigner for whom peace and prosperity there is more important than any football bauble. Didier Drogba plays for Chelsea and the Ivory Coast.

Jamie had a wild and turbulent youth, but football became his saving grace and, once he filled his boots with goals at FC Halifax Town and Fleetwood Town, he moved to Leicester City. After the miracle of surviving relegation, the team of unlikely outsiders bonded together to achieve the unthinkable: Jamie set the record as the first player to score in 11 consecutive Premier League matches and Leicester beat odds of 5000-1 to become champions. Andrea Pirlo: I Think Therefore I Play - Andrea Pirlo 2014-04-15

Mississippi in Africa - Alan Huffman 2010-07-08

When wealthy Mississippi cotton planter Isaac Ross died in 1836, his will decreed that his plantation, Prospect Hill, should be liquidated and the proceeds from the sale be used to pay for his slaves' passage to the newly established colony of Liberia in western Africa. Ross's heirs contested the will for more than a decade, prompting a deadly revolt in which a group of slaves burned Ross's mansion to the ground. But the will was ultimately upheld. The slaves then emigrated to their new home, where they battled the local tribes and built vast plantations with Greek Revival-style mansions in a region the Americo-Africans renamed "Mississippi in Africa." In the late twentieth century, the seeds of resentment sown over a century of cultural conflict between the colonists and tribal people exploded, begetting a civil war that rages in Liberia to this day. Tracking down Prospect Hill's living descendants, deciphering a history ruled by rumor, and delivering the complete chronicle in riveting prose, journalist Alan Huffman has rescued a lost chapter of American history whose aftermath is far from over.

Didier Drogba...the name strikes fear into defenders throughout football and excites fans around the world. The giant forward's life story is as amazing as some of the goals which have turned him into a hero on two continents. Born in 1978 in Abidjan, the capital of the troubled African state of Ivory Coast, he was sent to live in France with an uncle, a professional footballer, at the tender age of five. In 2004, Chelsea splashed out GBP 24 million to bring him from Olympique Marseilles to Stamford Bridge. His goals and commitment won supporters' hearts but he has courted controversy along the way, apparently confessing to 'diving' in opposition penalty areas, and his sending off in a brutal Champions League clash with Barcelona led to one of the world's top referees quitting the game. He has even had to face competition for his place from Ukrainian goal-machine Andriy Shevchenko. Now, one of the highest-paid footballers in the world, his amazing life story reveals the struggle of his early years, his battle for acceptance on and off the football field and the truth about his rivalry with Shevchenko in a story that really is stranger than fiction.

Global Perspectives on Football in Africa - Susann Baller 2013-10-31

Football, in many ways, is a visual endeavour. From the visual experience within the stadium itself to worldwide media representations, from advertisements to football art and artefacts: football is much about seeing and being seen, about watching, making visual and being visualised. The FIFA World Cup 2010 in South Africa has turned into a perfect example of the visual dimensions of football. Stadiums have been

built and marketed as tourist attractions, mass media and internet platforms are advertising South African cities and venues, logos and emblems are displayed and celebrated, exhibitions are organised in museums world-wide. This book explores the social, cultural and political role of football in Africa by focusing on the issue of its visibility and invisibility. The contributions consider the history and present of football in different parts of Africa. They examine historical and recent pictures and images of football and football players, as well as places and spaces of their production and perception. They analyse the visual dimensions expressed in sports infrastructure, football media-scapes, and in expressive and material arts. This book thus contributes to the growing interest in football in Africa by exploring a new field of research into sports. This book was previously published as a special issue of Soccer and Society.
