Black & Decker The Complete Guide to Bathrooms, Updated 4th Edition - Editors of Cool Springs Press 2015-01-30

From inspiration to design advice with crystal-clear how-to instructions, BLACK + DECKER Complete Guide to Bathrooms is the only book you need to achieve the bathroom of your dreams. This brand-new edition of a perennial

bestseller from the BLACK + DECKER Complete Guide series is just the book you need if you want to improve, update, or remodel your bathroom. From a simple freshening of the decor to a down-to-the-studs remodel, all of the information you need to design the job and do the work yourself is right here. Through step-by-step photography and instructions, you'll see how to update lighting, ventilation, flooring, surfaces, cabinetry, toilets, bathtubs, and accessories. The comprehensive buyer's guide takes you through one of the most important steps in any remodeling project, and a complete section on bathroom design provides education and inspiration. As a bonus, this new edition of Black + Decker The Complete Guide to Bathrooms includes a chapter explaining how to remodel or reimagine your bathroom to better meet the needs of aging in place, with projects that conform to Universal Design Standards. You'll see a start-to-finish demonstration on how to replace a shower or tub with a curbless shower stall. To maximize access, a wall-mounted sink is hung and hooked up - and you see every step. Replace a traditional bathroom sink faucet with a hands-free model so you can turn on the water even if you can't reach all the way to the faucet handle.

Black & Decker The Complete Guide to Sheds, 2nd Edition - Editors of CPI 2011-11-01

This second edition of CPI's "Complete Guide to Contemporary Sheds" picks up where the original left off. All of the most popular shed plans are still here, plus we've added several new designs to further widen the scope of the styles and plans. Because sheds with overhead doors are very popular with homeowners who drive a riding lawn mower or own a snow thrower, we feature a third mini-garage type shed. All major construction steps are shown in clear, full-color photos, accompanied by materials lists and a full set of plan drawings. For those who simply want a nice-looking outbuilding that's easy to build, we've added new utility shed plans to the mix. Combined with more than a dozen full sets of shed plans and step-by-step photos, the up-front technique material shows you how to accomplish every aspect of shed-building, from design to adding roof coverings.

Bathrooms - Editors of Creative Publishing
2002-12-01

Bathrooms are one of the most popular-and expensive- home remodeling projects. Because of the expense, do-it-yourselfers can enjoy enormous savings over the cost of having the work done by contractors. In addition to the quality-of-life benefits offered by a new or remodeled bathroom, a new bath can add substantial equity to the value of a home-in some instances, the entire expense is offset by increased home value. A bathroom is one of the few remodeling projects for which this is true. The Complete Guide to Bathrooms is the only book homeowners will ever need on this important subject. It includes virtually every type of bathroom remodeling project, from the most cosmetic dress-up to the most complete renovation. This comprehensive guide includes an impressive idea section to open readers' eyes to options. In addition to basic fixture replacement information, the book includes extended how-to information on creating a new master bathroom, basement bath, or half bath, from rough plumbing in exposed framing through final fixture connections. It also teaches how to install ceramic floor tile, install an adjustable slide-bar shower head, and create a glass-block divider wall. Finally, a section on Universal Design shows how to adapt a bathroom for someone with mobility limitations-an elderly family member, for example, or one with a physical limitation.

Black & Decker The Complete Guide to Sheds, 3rd Edition - Editors of CPi 2017-02-15

This exciting new 3rd edition of the bestselling title, Black & Decker Complete Guide to Sheds has the perfect plan for anyone who is building his or her own backyard shed. The most popular plans from previous editions are preserved, from small garage-style sheds with overhead doors, to kit sheds, to contemporary utility sheds with a dramatic flair. This new edition delves into new styles that are drawing strong interest today, including tiny sheds, miniature tool sheds, and even small habitable sheds that are designed to function mostly as a quiet retreat for practicing a particular hobby or activity. As with all of the hardworking, practical sheds from earlier editions, the new varieties include full-color step by step photos, complete building plan drawings

with cutting lists, and clear how-to instructions. Shed-building, like any other building process, starts with good techniques. That's why the general skills section has been updated and improved. With this complete guide, you can build just about any shed you dream of. Plus, you'll find information on new tools and products that will make your project go faster and more smoothly. Rounded out with helpful information on important considerations like siting and zoning, Black & Decker Complete Guide to Sheds 3rd Edition truly is a complete guide to this very popular DIY activity.

Black & Decker The Complete Guide to Tile, 4th Edition - Editors of Cool Springs Press
2015-06-09

Transform your home with confidence using our step-by-step methods for perfectly installed tile! Installing tile is one of the most popular DIY projects out there. It is a fun skill to have, is relatively easy to learn, and can save you a bundle of cash if you do it on your own! You can work at just about any pace you find comfortable, and the results can utterly transform a room. Most commonly used on bathroom and entryway floors and walls, tile has many other useful applications, including kitchen countertops and backsplashes. The Goldfinch - Donna Tartt 2013-10-22

A young New Yorker grieving his mother's death is pulled into a gritty underworld of art and wealth in this "extraordinary" and beloved Pulitzer Prize winner that "connects with the heart as well as the mind" (Stephen King, New York Times Book Review). Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother. Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by a longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into a wealthy and insular art community. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love -- and at the center of a narrowing, ever more dangerous circle. *The Goldfinch* is a

mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention. From the streets of New York to the dark corners of the art underworld, this "soaring masterpiece" examines the devastating impact of grief and the ruthless machinations of fate (Ron Charles, Washington Post).
