Exploring Science Through Science Fiction -

Barry B. Luukkala 2013-10-23

The material in this book forms the basis of an interdisciplinary, college-level course, which uses science fiction film as a vehicle for exploring science concepts. Unlike traditional introductory-level courses, the science content is arranged according to major themes in science fiction, with a deliberate progression from the highly objective and discipline-specific (e.g. Reference Frames; Physics of Space Travel and Time Travel) to the very multi-disciplinary and thought-provoking (e.g. Human Teleportation; Science and Society). Over 100 references to science fiction films and television episodes are included, spanning more than 100 years of cinematic history. Some of these are conducive to calculations (solutions included).

I Am Second - Dave Sterrett 2013-10-08

Countless stories. One incredible ending. A major league baseball player. a Tennessee pastor. A reality TV star. a single mom. A multi-platinum rocker. What do these people have in

common? They've all hit bottom. And none of them stayed there. Famous or unfamiliar, these are the stories of real people who reached the end of their strength, the end of their control, and found the most surprising truths. It taught them not to rely on self or substance but to lean on the only completely reliable source of love, hope, and freedom: the God who created them. Shocking in their honesty, inspiring in their courage, these testimonies are critical reminders that no one is too far from God to find him. Join these and thousands more who have discovered the lifechanging power in putting God first and proclaiming, "I am Second."

I Found Love - Doug Bender 2021-01-12

From the influential and ever-growing movement I Am Second, a remarkable collection of stories of people searching for and finding love. When I Am Second launched in 2008, the organization intended simply to tell stories of lives changed utterly by people placing God first and themselves second. Although the organization has exploded in size and influence since, that original mission has remained the same--and continues to have enormous power and influence today. I Found Love is the highly anticipated new book from I Am Second, gathering together stories of people who searched everywhere for fulfillment and wholeness and found it only when they surrendered to God. People whose stories

appear include the following, among others: David and Tamela Mann Jason Castro Sean Lowe Stephen Baldwin Moving, compelling, and profoundly inspiring, the stories found here remind us that our hearts will always be restless until they find their rest in God and always unsatisfied until we find the love of God.

Discover Your Soul Potential - Kathy Hurley
2012-04-03

Discover Your Soul Potential: Using the Enneagram to Awaken Spiritual Vitality shows how to use the Enneagram as a gateway into the full potential of your soul. With it, you can live with simplicity, clarity and compassion; you will feel inspired to create a new partnership between the ordinary and EXTRAordinary sides of your personality. Authors Kathy Hurley and Theodorre Donson combine insights from mystical traditions with contemporary

psychology and their intimate knowledge of the Enneagram to provide this tool for ongoing growth. As part of their life quest to help people live from the power of their own souls, they explain how spiritual vitality can be the privilege, inheritance and responsibility of every human being. On our spiritual journey it seems our hearts yearn for us to know who we are, and the Enneagram is the clearest, most accurate method of understanding the personality traits of ourselves and others. It is based on the theory of three centres of intelligence: Intellectual, Relational and Instinctual, or more commonly referred to as Thinking, Feeling and Doing. Our personality is a unique configuration of the three capacities inherent in every person. Because of its practical approach, this groundbreaking book makes spiritual vitality easily accessible to all.

The Road - Cormac McCarthy 2007-03-20
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive,

this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity,

and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

Well-Read Black Girl - Glory Edim 2018-10-30
NOMINATED FOR AN NAACP IMAGE AWARD •
An inspiring collection of essays by black women writers, curated by the founder of the popular book club Well-Read Black Girl, on the importance of recognizing ourselves in literature. "Yes, Well-Read Black Girl is as good as it sounds. . . . [Glory Edim] gathers an all-star cast of contributors—among them Lynn Nottage, Jesmyn Ward, and Gabourey Sidibe."—O: The Oprah Magazine Remember that moment when you first encountered a character who seemed to be written just for you? That feeling of belonging remains with readers the rest of their lives—but not everyone regularly sees themselves in the pages of a book. In this timely anthology, Glory Edim brings together original essays by some of our best black women writers to shine a light on how important it is that we all—regardless of

gender, race, religion, or ability—have the opportunity to find ourselves in literature. Contributors include Jesmyn Ward (Sing, Unburied, Sing), Lynn Nottage (Sweat), Jacqueline Woodson (Another Brooklyn), Gabourey Sidibe (This Is Just My Face), Morgan Jerkins (This Will Be My Undoing), Tayari Jones (An American Marriage), Rebecca Walker (Black, White and Jewish), and Barbara Smith (Home Girls: A Black Feminist Anthology). Whether it's learning about the complexities of femalehood from Zora Neale Hurston and Toni Morrison, finding a new type of love in *The Color Purple*, or using mythology to craft an alternative black future, the subjects of each essay remind us why we turn to books in times of both struggle and relaxation. As she has done with her book club-turned-online community *Well-Read Black Girl*, in this anthology Glory Edim has created a space in which black women's writing and knowledge and life experiences are lifted up, to be shared with all

readers who value the power of a story to help us understand the world and ourselves. Praise for *Well-Read Black Girl* "Each essay can be read as a dispatch from the vast and wonderfully complex location that is black girlhood and womanhood. . . . They present literary encounters that may at times seem private and ordinary—hours spent in the children's section of a public library or in a college classroom—but are no less monumental in their impact."—*The Washington Post* "A wonderful collection of essays."—*Essence*

North American short stories enhance pre-intermediate students' reading skills, language learning, and enjoyment of literature.

Discovering Fiction, An Introduction, has the same unit and chapter structure as the two higher level books, *Discovering Fiction Level 1* and *Level 2*. There are four units, each containing three stories that are related in terms

of their theme; extensive prereading and post-reading tasks accompany each story. Unlike the other two books, however, an audio CD containing a reading of each story is packaged into each Student's Book.

From the Mixed-Up Files of Mrs. Basil E.

Frankweiler - E.L. Konigsburg 2010-12-21

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up

residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

Black Lives Matter at School - Denisha Jones 2020-12-01

through the BLM at School movement. This is a book that can inspire many hundreds or thousands of more educators to join the BLM at School movement.

A Discovery of Witches - Deborah Harkness
2011-02-08

Now a major Sky original production - Season 2 streaming now THE NUMBER ONE INTERNATIONAL AND SUNDAY TIMES BESTSELLER. A Discovery of Witches is the first in the must-read ALL SOULS trilogy. It begins with absence and desire. It begins with blood and fear. It begins with a discovery of witches. Fall under the spell of Diana and Matthew in the stunning first volume of the No.1 internationally bestselling ALL SOULS trilogy. A world of witches, daemons and vampires. A manuscript which holds the secrets of their past and the key to their future. Diana and Matthew - the forbidden love at the heart of it. When historian Diana Bishop opens an alchemical manuscript in the Bodleian Library, it's an unwelcome

intrusion of magic into her carefully ordered life. Though Diana is a witch of impeccable lineage, the violent death of her parents while she was still a child convinced her that human fear is more potent than any witchcraft. Now Diana has unwittingly exposed herself to a world she's kept at bay for years; one of powerful witches, creative, destructive daemons and long-lived vampires. Sensing the significance of Diana's discovery, the creatures gather in Oxford, among them the enigmatic Matthew Clairmont, a vampire geneticist. Diana is inexplicably drawn to Matthew and, in a shadowy world of half-truths and old enmities, ties herself to him without fully understanding the ancient line they are crossing. As they begin to unlock the secrets of the manuscript and their feelings for each other deepen, so the fragile balance of peace unravels... Five reasons to read A Discovery of Witches and the All Souls Trilogy 'Rich, thrilling ... A captivating and romantic ripping yarn' E L James 'Intelligent and off-the-wall ... irresistible

to Twilight fans' Sunday Times 'I could lose myself in here and never want to come out ... Utterly enchanting on every level' Manda Scott 'Exciting amounts of spells, kisses and battles, and is recounted with enchanting, page-turning panache' Marie Claire 'A bubbling cauldron of illicit desire ... an assured saga that blends romance with fantasy' Daily Mail

Max Opposite - Meldon J. Wright 2012-02-01
Max Opposite
What do you do when you can't control what you do,
When your brain behaves in mysterious ways,
When you're only 13,
And

discover your life is a lie?
What do you do,
When your search for the truth,
Plunges you into a nightmare?
"Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages." - A. H. (Auckland, New Zealand)
"Rachel, do you dream?"
"Of course I do. Everyone does."
"Do you always have the same dream?"
"Ah, no, that'd be pretty weird."
"I thought so."
"So what's this about, Max?"
"I have the same dream every single night. Always have, for as long as I can remember."
"That's definitely not normal. Even recurring dreams don't stay forever."
"Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable...waiting for the next episode." - J. G. (Sydney, Australia)
"Max makes Harry Potter look wimpy! Great characters and an absolutely fantastic story." - P. L. (South Carolina, U.S.A.)
Max Opposite
Every morning, thirteen year old Max wakes from the same dream, scans his bedroom and waits for his memories to

return. Every morning, when they do, he takes a deep breath and prepares for another day of humiliating events: Nicknamed 'Opposite' at school, Max is known for bizarre and inexplicable behaviour. Tired of being the fool, Max begins to question his purpose in life. What is wrong with him? Why does his mother keep secrets from him? Where does she secretly go at night? With the help of Rachel, his only friend, Max sets out to find the answers, and is quickly drawn into a world of danger far beyond any of the problems faced at school. Soon he and Rachel find themselves at odds with one of the most ruthless and wealthy criminal masterminds the world has ever known. In an international battle for survival, Max is forced to face the truth about himself, and soon realises that it's not easy being thirteen and discovering that your whole life has been a lie. It's not easy being Max Opposite.

Disciplinary Literacy Connections to Popular Culture in K-12 Settings - Haas,

Leslie 2020-11-13

Literacy and popular culture are intrinsically linked as forms of communication, entertainment, and education. Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes. Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels. As concepts around traditional literacy education evolve and become more culturally responsive, the connections between popular culture and disciplinary literacy must be explored. *Disciplinary Literacy Connections to Popular Culture in K-12 Settings* is an essential publication that explores a conceptual framework around pedagogical connections to popular culture. While highlighting a broad range of topics including academic creativity, interdisciplinary storytelling, and skill development, this book is ideally designed for

educators, curriculum developers, instructional designers, administrative officials, policymakers, researchers, academicians, and students.

I Guess I Haven't Learned That Yet - Shauna Niequist 2022-05-26

A clear-eyed look at what happens when everything we've been clinging to falls apart-- what we keep, what we let go, and how we're transformed along the way. Just after her fortieth birthday, New York Times bestselling author Shauna Niequist found herself in a season of chaos, change, and loss unlike anything she'd ever experienced. She discovered that many of the beliefs and practices that had been useful up to that point no longer worked. After trying--and failing--to pull herself back up using the same old tools, she realized she required new ones: courage, curiosity, compassion, and self-compassion. She discovered the way through was more about questions than answers, more about forgiveness than force, more about tenderness than trying

hard. *I Guess I Haven't Learned That Yet* is a journey of both unlearning what is no longer helpful, embracing curiosity, and accepting the unknowns of midlife, heartbreak, and chronic pain. Niequist writes with characteristic candor and grace about the challenges and delights of a move from the Midwest to Manhattan, and also the challenges and delights of releasing our expectations for how we thought our lives would look. Follow Niequist on her journey to understand grief, to reshape her faith, to practice courage when all she wanted to do was hide. This is a book about learning how to live in a new city, learning how to get back up, and learning how to trust God's goodness in a deeper way.

When We Cease to Understand the World - Benjamin Labatut 2021-09-28

One of The New York Times Book Review's 10 Best Books of 2021 Shortlisted for the 2021 International Booker Prize and the 2021 National Book Award for Translated Literature A fictional examination of the lives of real-life scientists and thinkers whose discoveries resulted in moral consequences beyond their imagining. *When We Cease to Understand the World* is a book about the complicated links between scientific and mathematical discovery,

madness, and destruction. Fritz Haber, Alexander Grothendieck, Werner Heisenberg, Erwin Schrödinger—these are some of luminaries into whose troubled lives Benjamín Labatut thrusts the reader, showing us how they grappled with the most profound questions of existence. They have strokes of unparalleled genius, alienate friends and lovers, descend into isolation and insanity. Some of their discoveries reshape human life for the better; others pave the way to chaos and unimaginable suffering. The lines are never clear. At a breakneck pace and with a wealth of disturbing detail, Labatut uses the imaginative resources of fiction to tell the stories of the scientists and mathematicians who expanded our notions of the possible.

Cartomancy - Michael A. Stackpole 2006-02-28
New York Times bestselling author Michael A. Stackpole returns with the second book of a groundbreaking trilogy charting exciting new territory in fantasy fiction. *Cartomancy* follows a group of trailblazing mapmakers with the power to discover new worlds—and shape reality itself. . . . Under the shadow of invasion by a nameless enemy, there seems only one way to save Nalenyr from oblivion. The old heroes who once defended the land must be awakened. And accomplishing that requires a journey across the magical wasteland where they're rumored to be trapped—a wasteland rife with magic and

danger. Grandson of the Royal Cartographer, Keles Anturasi finds himself trapped in an enemy nation where his skill may well be his death sentence. His brother Jorim is an ocean away, captive in an altered realm in which he's regarded as a god. And their sister Nirati resides in a paradise that exists between life and death with her insane grandfather and an ancient sorcerer bent on the world's destruction. Now they and their companions must struggle to survive in a world where war on earth mirrors war in heaven. What the gods themselves fear, men must brave. Heroes and mystics they may be, but can any of them survive in a world where things are seldom what they seem: a place where dreams can become reality—and reality can turn into a nightmare. . . . "Michael A. Stackpole is incapable of writing a book that isn't imaginative and intelligent."—Stephen R. Donaldson, author of *The Chronicle of Thomas Covenant*
