*RHS The Little Book of Bonsai - Malcolm Hughes 2018-01-31*  
The Little Book of Bonsai will make you an instant expert in the art of growing miniature trees. It is packed with myth-busting surprises, the first of which is that growing bonsai really isn't as hard as most people think. In fact, they are no more difficult to look after than other pot plants, and easier than many. This book makes the job even easier by breaking down the subject into three clear sections: Getting

Started, Ongoing Care and Species Profiles. Jargon-free text and dozens of photographs and diagrams make this the ideal guide for complete novices, as well as a handy companion for more experienced growers. Whether you want to grow from seed or source an established plant, everything you need to know is contained in this guide, which, like bonsai themselves, is small but perfectly formed.
